						: .		
						: .		
						: .		
						: .		
						: .		
						: .		

Proof of time:

We will need to confirm all times submitted on this application.

We can retrieve results directly for meets run by any of the following organizations, so you do not have to supply further information for them:

- Haileybury Waterlions
- Metro District South
- Swimming Victoria
- Australian Swimming.

Times from meets other than these must be substantiated by an official timesheet or results sheet from the meet or you may supply the website address where the official results have been published.

If this is unavailable, a clear handwritten sheet with the above information signed by the meet director, chief timekeeper or meet recorder is required.

How to apply for a record:

1. Fill in the above details.
2. If the meet is not a SV, ASI, Metro South or Haileybury Waterlions meet, attach the proof of the time (as detailed above) to this sheet.
3. Submit the application to the club records officer, either directly or by placing it in the blue box at the pool.

Office use only:
